Text: iScience Florida Course 2: Students are responsible to have their textbook each day for class. Space is available for each student to store their book within the classroom.

Course Description: This is a comprehensive science class that lasts the entire year. Its focus is to expose students to many of the theoretical and conceptual foundations of science. Eventually, students will be able to use learned science skills in their everyday lives and apply them to real world experiences and problem solving.

Required supplies	Class Grading System	P.B. County Grading Scale
composition book graph paper mechanical pencil glue stick metric ruler	Tests: 35% Quizzes: 25% Classwork: 20% Project: 20%	A = 90-100% B = 80-89% C = 70-79% D = 60-69% F = 59% and below

After an absence completed make-up work is due within 2 days of returning to school at the start of class (except for students with extended time accommodations who request additional time). Missed tests and quizzes must be completed within 1 week after the test/quiz was 1st given. Late work will not receive full credit. When it is one week before the end of the quarter I will no longer accept late assignments.

Expectations and Class Procedures:

1. Arrive prepared with a pen or pencil, your science notebook, and completed assignments.
2. Store your backpack under your chair or desk.
3. Take your seat quietly and begin the 'do now' in your science notebook.
4. Follow the CHAMPs guidelines for direct instruction, independent work, and tests or quizzes.
5. Keep your area clean and clutter free.
6. Be kind and courteous.

*** I reserve the right to revise class rules accordingly at any time during the year given various circumstances.*

Incentives	Consequences	
Rewards are typically given weekly, sometimes daily ☺, for fulfilling classroom expectations and individual achievement (behavioral or academic).	1	Silent stare from Mr. Stone
	2	Verbal warning to cease counterproductive behavior
	3	Second verbal warning to cease counterproductive behavior, advisement that the behavior will be logged for administration if it continues.
	4	Classroom management form and parent notification.

Please review this syllabus with your child and if there are any questions or concerns, feel free to contact me to discuss your child's progress.
