### Weathering Project

Create a timeline to show a nonliving object undergo the process of weathering.

Directions and Checklist	Check when finished
1. Choose a nonliving object. (Choose one you can draw 8 times!)	<input type="checkbox"/>
2. In box 1: Title your Timeline as the name of your object In box 10: Write your name, date, and period	<input type="checkbox"/> <input type="checkbox"/>
3. In box 10: Write your name, class period, and date.	<input type="checkbox"/>
4. In boxes 2-9: Draw your object as it goes through 3 types of weathering.	<input type="checkbox"/>
5. Label each box with the type of weathering that your object is undergoing.	<input type="checkbox"/>
6. Include a timeframe that makes sense for your object (Give a realistic amount of time for the weathering)	<input type="checkbox"/>
7. Color your pictures - Neatness counts! Make sure this is your <b>BEST EFFORT!</b>	<input type="checkbox"/>

Rubric			
Category	3	2	1
<b>Type of Weathering 1</b>	Type of weathering correctly drawn and correctly labeled	Type of weathering is either drawn or labeled, but not both	Type of weathering not drawn or labeled.
<b>Type of Weathering 2</b>	Type of weathering correctly drawn and correctly labeled	Type of weathering is either drawn or labeled, but not both	Type of weathering not drawn or labeled.
<b>Type of Weathering 3</b>	Type of weathering correctly drawn and correctly labeled	Type of weathering is either drawn or labeled, but not both	Type of weathering not drawn or labeled.
<b>Timeframe Appropriate</b>	Realistic timeframe identified	Somewhat realistic timeframe identified	Timeframe identified is not realistic
<b>Conventions</b>	No spelling or grammar errors	1-3 spelling or grammar errors	4 or more spelling or grammar errors
<b>Quality</b>	Project is colored, neat, and shows your best effort	Project is somewhat colored, neat, and shows good effort	Project is not colored, neat, and does not show best effort
<b>Title and Name</b>	Title and name are in proper boxes	Title or name are not in proper boxes	Title or name are missing
<b>Total:</b>		<b>/21</b>	

*Use the boxes below to sketch your idea before you start your final project.*
